Will be bespoke to the patient (4-6mls) £900

## Ellanse

### Collagen Stimulating Fillers

Introducing Ellansé®  
Natural Looking and Regenerative Beauty

The first of a new class of dermal fillers, Ellansé® naturally regenerates volume and restores the shape that time has taken away. Ellansé is an injectable dermal filler available in many countries, including the U.K. It both corrects lines and wrinkles, and also stimulates the body to produce collagen. The results last from one to four years, depending on which product is chosen: Ellansé-S, Ellansé-M, Ellansé-L, or Ellansé-E.

One Box of Ellanse S	£350
Ellanse Non-surgical Face Lift	£750

## Anti-Wrinkle Treatments Botox™

This treatment is used to reduce the appearance of fine lines and wrinkles around the forehead and eye area. This treatment can also reduce sweating in the underarm. Most treatments last between 3-4 months. This is a well-established treatment that can be used safely, repeatedly and indefinitely

Advanced Botox 3-5 areas	£250
1 area, forehead	
1 area, glabella in between the eyebrows	
1 area, crows feet	
1 area, nose bunny lines	
1 area, mouth lines	
1 area	£150
Underarm sweating	£300
Gummy Smile – reduce the appearance of your gums when you smile	£100
Eyebrow Lift	£100
Jawline Slimming Botox	£250
Neck Lift	
Platysma Bands	From £300

## Skin Treatments

### Neo Elegance LED facial

Neo Elegance Facial with LED light therapy and Glycolic. 50 minute facial with deep skin exfoliation, light peel, advanced skin serum and LED treatment. [www.neoelegance.co.uk](http://www.neoelegance.co.uk)

Single Facial	£55
Course of 5	£200

### IRIDIUM Bright Eye Lift Package £55

Enzyme peel, radiofrequency, LED and potent eye patches

Combining several different therapies, the eye area will appear lifted, tighter and brighter. The delicate eye skin is prone to ageing quickly, so it's important to treat the eye area with care and clinically proven methods to reduce wrinkles and tiredness.

### Express Led Treatment £55

Deep cleanse, LED therapy and product infusion and derma-planning

A classic express skin treat. The skin is deeply cleansed and prepared using a glycolic foam cleanser. Then an LED color will be chosen to either combat ageing, acne or

hyperpigmentation. It's a relaxing treatment with no down time. Brilliant to have in between intense treatments to provide better results and quicker healing. With derma-planning and neck and shoulder massage included.

## Oxygen Facial Treatment £60

### Mini-Glycolic Peel and O2 snow mask and deep skin infusion serum with derma-planning

The skin is actively infused with potent vitamins and minerals. Oxygen therapy works to keep the skin cells healthy and plump. The bactericidal effect in the deeper layers of the skin fights spots, acne and keeps the skin healthy. This treatment provides an instant brightening and plumping effect.

## Super Facial with the Aqua Gold Micro Needling Serums £255

### A truly super facial this treatment is recommended on a 3 monthly basis

It will provide your skin with everything it needs, from a deep cleanse, hydration, tightening, collagen boosting, skin calming and brightening. Not only that, but each session will be tailored to your skin to feed your skin with exactly what it needs. Perfect in preparation for a big event or party – it's a real game changer. With no downtime, and chose from micro-Botox or hyaluronic infusions using real 24K gold micro gold needles. With or without derma-planning.

## Chemical Peels

All our chemical peels are cosmeceuticals and are carried out by an aesthetic practitioner. A thorough consultation must take place prior to any treatment to ensure targets are met.

## Dr. Natasha Clinics Peel £100

### The ultimate chemical peel that will brighten, hydrate and even out the skin tone.

This peel is results driven and provides an instant difference to the skin. It works by having layers of different solutions smoothed over the skin. A perfect treatment to prep the skin before a deeper peel or in preparation for an event.

## Brightening and Whitening Skin Peel £100

A variety of skin tone irregularities can be combated with this peel as it works to lift away at hyperpigmentation. This treatment is combined with LED therapy

## Rosacea Skin Peel £100

This fantastic peel works to rebuild and strengthen the skin. The combination of potent skincare and red LED, it has a very calming and soothing effect on the skin. It is a specially formulated peel to reduce redness, tighten and illuminate the skin tone.

## Acne Skin Peel £100

### Acne can cause hyperpigmentation, textural imperfections and bacteria can multiply.

This antibacterial formulation, not only combats breakouts, but works to resurface the skin to ensure a brighter and clearer complexion is revealed. This treatment works alongside LED for better results and less downtime.

## Back Skin Treatment £150

Deep salicylic acid cleanse with a skin peel using glycolic, blue LED and product infusion.

## Hand Therapy £55

A luxurious treat for the hands, using luxury products to infuse the skins with moisture and collagen boost used the red led light. Combined with massage therapy.

## Perfect Peel

### 5-Acid blended peel with glutathione, vitamins and minerals. In-office chemical peel procedures performed by medically trained professionals.

The perfect peel is a revolutionary peel that will transform your skin into looking younger, healthier and clearer in just one week. The perfect peel can be used on all skin types and requires no pre-peel skin preparation. The process takes less than 15 minutes and is virtually pain free.

Face	£400
Neck	£400
Back Acne	£600
